

PLUMPER BAY BEACH USE SURVEY

A Plumper Bay Working Group Project

WHAT IS THE PLUMPER BAY WORKING GROUP ?

The Esquimalt Nation, Songhees Nation, First Nations Health Authority (FNHA), and Department of National Defence (DND) have formed a Working Group focused on improving the understanding of human health risks that the 2016 Plumper Bay diesel spill may have caused.

WHAT IS THE PLUMPER BAY BEACH USE SURVEY?

A short 3 minute survey which gives you the chance to tell us about how you use Plumper Bay now and in the past (before the 2016 spill).

WHAT WILL THE SURVEY RESULTS BE USED FOR?

Survey results will help the Working Group to better understand any potential human health risks from using the beach, through a Plumper Bay Human Health Risk Assessment.

HOW TO COMPLETE THE SURVEY?

Complete the survey between May 19 to June 4, 2021, by choosing one of the three options below:

1. Click [here](#) to complete the survey online.
2. Scan the QR code above with your smart phone camera to complete the survey online.
3. Call Deanna Higginson (Hemmera) at 604.669.0424 (ext. 182) to complete the survey by phone.
