Re: Spring Break Programs - Cancelled

Dear Esquimalt Nation Community,

In light of the Coronavirus Disease 2019 (COVID-19) Pandemic, and the recent release from Centers for Disease Control and Prevention (CDC) recommending that organizers cancel or postpone in-person events that consist of 50 people or more, we will be cancelling our Spring Break activities until further notice.

Leadership and Management are working with local government and emergency response to ensure best protocols and safety measures are in place. We are invested to the health and wellbeing of our Nation and we encourage anyone who is exhibiting sick or flu like symptoms to call **811**. By calling 8-1-1, you can speak to a health service navigator, who can help you find health information and services; or connect you directly with a registered nurse, a registered dietitian, a qualified exercise professional, or a pharmacist.

For further information, please feel free to call the office at 250 381 7861. Otherwise, I can be reached by phone by email at katie@esquimaltnation.ca.

Thank you for your time to review this message.

Sincerely,

Katie Hooper
Executive Director
Esquimalt Nation
