

NEW COVID-19 PUBLIC HEALTH ORDERS

November 23, 2020

Notice re: new Covid-19 Public Health Order(s)

Dear Esquimalt Nation Community members,

On November 19th, 2020, the Public Health Officer issued new Provincial Health Orders. Due to this new order, effective immediately, the following guidelines are in place:

- The Esquimalt Nation Administration office is closed and staff are available by appointment only. **The door will not be answered at the administration or programs building.** If you have an appointment, please wait outside and the staff member will come and get you. If you wish to make an appointment, please call 250-381-7861 to reach the correct staff member.
- All programs are temporarily cancelled. This includes youth group, men's group and women's group.
- The Public Health Officer has ordered that residents, both on and off reserve, not allow anyone who doesn't live with them in their home for the next 2 weeks.
- All group gatherings, both inside and outside, are not allowed at this time.

Sincerely,

Esquimalt Nation Administration
